

ZACH SIKORA, PSYD

Psychologist • Medical Director • On-Air Mental Health Expert • Media Consultant
Chicago, IL • (224) 448-3727 • drzachsikora@gmail.com • drzachsikora.com

BIO

Licensed Clinical Psychologist and Medical Director specializing in anxiety disorders, trauma, OCD, and general mental health problems. An on-air expert, Zach delivers clear, evidence based commentary that helps audiences understand human behavior. He consults with producers, writers, and talent to ensure psychological accuracy, emotionally grounded character development, and ethical portrayal of mental health in both scripted and unscripted formats. His work bridges clinical expertise with compelling storytelling, making complex psychological concepts accessible, engaging, and trustworthy.

MEDIA EXPERIENCE

Media Consultation

- **Fear Factor: House of Fear:** Advises on psychological realism, fear/anxiety portrayal, and casting.
- **Fear Facts:** On screen talent in companion social media series for Fear Factor: House of Fear, writing episode scripts, delivering synopses of episodes with infusion of entertainment and scientific facts.
